

NEW BLACK FINISH - Y21

DISC TUMBLER CAM LOCKS

C8053 & C8060

from **CompX National**

Due to increased demand, CompX National has added the popular Y21 black finish to C8053 (1-3/16" cylinder length) and C8060 (1-3/4" cylinder length) disc tumbler cam locks for immediate delivery.

Available now through the **STOCK LOCKS** Program. Call your sales or customer service representative for pricing information.

These locks feature **FlexaCam™**

Ensure a proper fit. Three spacers (included with most CompX National threaded disc tumbler cam locks) offer three thicknesses - providing up to 12 different dimensional variations.
